

GAIM USA 2006 Live Music Performance – “The Subscribers”

In a first for GAIM USA, we are delighted to be joined by none other than the “Howlin Hedgies” aka The Subscribers who will be providing the live entertainment during the GAIM USA Welcome Cocktail reception, generously sponsored by ***Bisys Alternative Investment Services***. Hear your favorite songs including “Wall Street Blues” performed live in the Hedgies own inimitable style.

The Subscribers play music to raise money for A Leg To Stand On, a charitable organization that, through the provision of corrective surgery and prosthetic limbs transforms the lives of disabled children in developing countries.
